

Assignment Sheet (Due August 24th, 2010)

- Visit the main website (<http://cominotti.net>) and look around. Get the feel for the layout and where the links are.
- Visit your specific class website (http://_____.cominotti.net). There is not much there yet other than the syllabus and other handouts.
- You will not be able to log into the journal sites yet.
- Visit and log into the class portal (<http://class.cominotti.net>). You should be prompted to change your password. Navigate to the user profile area and change anything that you wish other than your name. **Change your email address to your actual email address.**
- Enroll in your classes. Each class has a unique enrollment key. This was given to you during class, but you might not remember or may have lost it. They are as follows:
 - English 2 – 1st Hour – eng2-1AF2010
 - English 2 – 5th Hour – eng2-5AF2010
 - English 4 – eng4AF2010
 - Creative Writing – cwAF2010
 - Comm / Newspaper – commAF2010
 - Yearbook – ybAF2010
- **Do not log into any class that you do not belong in. It makes things difficult for me.**
- That's it. Nothing hard or strenuous for the first day. For some reason, if you can't log in, let me know tomorrow and I will see what the problem may be. Good luck.
